

# The CZBB Runup

June 1, 2025

## Canadian Business Aircraft Association Convention

On June 11 and 12<sup>th</sup>, Alpha Aviation will be participating in the 2025 CBAA Trade Show Exhibit at YVR to advertise our new 6008 ft. 07-25 runway and the services provided at the Boundary Bay FBO. Our proximity to YVR makes CZBB an excellent location for business and charter aircraft destined to Metro Vancouver and we are attracting additional traffic daily. Be sure to stop by booth #604 to say hello to the Boundary Bay team.

## Visiting Aircraft

Boundary Bay FBO was proud to host a Flexjet Challenger 300 in May. With our newly extended 6008' ft runway, Boundary Bay is open for business and ready to welcome even more jet traffic. CZBB is looking forward to providing top notch service to all visiting Charter and Business aircraft over the summer months.

## Snowbirds Set to Perform at the Airshow

Mark your calendars! The Boundary Bay Airshow is back this summer on Saturday, July 19. The Canadian Forces Snowbirds will be headlining the show, bringing their world-class maneuvers and impressive formations to the skies of Boundary Bay. Head to the CZBB website to see the full Airshow lineup, including crowd favourites Vicky Benzing and Brad Wursten. Gates open at 11:00 AM and the show starts at 12:00 PM.

For those aviation enthusiasts looking to maximize their Airshow experience, tickets are on sale now for the exclusive Airside Chalet. Indulge in delicious food and drinks from the comfort of the fully catered chalet. Tickets include access to premium seating, shade, private washroom facilities and VIP parking.

Email [airshow@alpha-aviation.ca](mailto:airshow@alpha-aviation.ca) for tickets.

## Ladner May Days Parade

Alpha Aviation proudly entered a float in the annual Ladner May Days Parade. The airside truck and airport golf carts were decorated, with members of the Alpha team alongside on foot handing out candy and goodies. The weather was perfect, drawing a large crowd. The Ladner community lined the streets of the parade route, making for a very busy event. It was a rewarding experience, we thoroughly enjoyed engaging with our local community.

## Apron 2 Runup Area

Flight Schools and private aircraft are reminded that the new location for the Apron 2 runup area is now operational. This has reduced noise for some of our tenants and allows easy access to E1 and E2 taxiways. As always respectful airmanship and speed control is expected when taxiing on all aprons.
